

PARENT CODE OF CONDUCT

The following Code of Conduct for parents is intended to promote the belief that everyone has a responsibility to follow the principles of the ICE League to place high value on the importance of education, excellent character, sportsmanship and fitness. The ICE League is designed to be a quality league that emphasizes the respectful relationships between people. The purpose of the code is to assure parents understand and behave at all times in a positive and supporting manner and instill those same behaviors in their children. Key points of the Code of Conduct:

- 1.** I understand that the ICE League is organized to promote strong academics, youth athletics and good sportsmanship.
- 2.** I understand that my child must meet the 2.5 GPA standard as defined by the ICE League in order to play in full games. If my child has a GPA of 2.3 to a 2.49 GPA, I understand that my child will only be eligible to play in two quarters of each game. If my child has a GPA of 2.0 to a 2.29 GPA, I understand that my child will only be eligible to play in one quarter of each game. I will encourage my child to do their best in the classroom.
- 3.** I will provide my child's school transcript and academic information as requested by the league.
- 4.** I understand that my conduct as a parent will have a definite impact on the youths participating in the ICE League, the program, and myself.
- 5.** I pledge to support, cooperate, and work in every way to promote student academics and youth athletics in the best interest of the programs and youths involved.
- 6.** I pledge to be respectful to all officials, even in an expression of disagreement.
- 7.** I agree to adhere to the principles of good sportsmanship and to the rules and regulations defined by the ICE League and any organizations affiliated with the ICE League.
- 8.** I understand that if I display poor sportsmanship, whether during or following a game, I will be subject to partial or permanent program suspension. Unsportsmanlike conduct is defined as, but not limited to the following:
 - Harassment of participants, coaches, or officials
 - Use of profane language and/or gestures
 - Public threats or physical violence

- 9.** I understand that for the health and safety of our youths, weapons, smoking, chewing tobacco, alcoholic beverages, illegal drugs, or pets (including dogs of any size) are not allowed in ICE League sponsored gyms. Non-compliant parents will be asked to leave the campus and may be found in violation of the Parent Code of Conduct or reported to local authorities which may result in criminal charges and/or disciplinary action by the ICE League. Public intoxication or being under the influence of any controlled substances in ICE League-sponsored gyms, or any other place where ICE teams are gathering, practicing, or competing will not be tolerated. These actions may also result in being reported to local authorities which may result in criminal charges and/or disciplinary action by the ICE League Commissioners.
- 10.** Regulations regarding an adult's ejection or suspension will follow the guidelines listed below:
- I understand that if I am asked to leave a game, I will be suspended from attending the next game to be played by my child.
 - I understand that if I am asked to leave a second game during any one season. I will not be allowed to attend all the remaining regular season games and the end of season tournament.
 - I understand that the ICE League commissioners will review all adult ejections or suspensions and may extend any suspension beyond what is stated above as deemed appropriate for the offense.
- 11.** I understand that any suspension may be appealed by using the following process:
The suspended individual should submit in writing a detailed account of the incident to the Commissioner within 48 hours of the suspension. The statement should give names of any witnesses that observed the incident.
- 12.** This Code of Conduct does not exclude discipline by the ICE League. In the case of an ejection, the parent must leave the facility (out of sight and sound) in which the court is located and cannot return until they have fully served their suspension. If the parent does return before this time, an additional 2 game suspension will be incurred. Typical ICE League disciplinary actions for offenses are shown below:
- Disrespect to an opposing player = The rest of that game + an additional 1 game suspension
 - Ejection from a game (first offense) = The rest of that game + an additional 1 game suspension
 - Ejection from a game (second offense) = 1 season suspension
 - Ejection from a game (third offense) = life suspension from participating in the ICE League sanctioned events
 - Verbal assault/hostile challenge of a referee/coach/player = 1 year suspension from attending games
 - Physical assault/hostile challenge of a referee/coach/player = life suspension from participating in the ICE League sanctioned events
